Championship

The KPMG Women's PGA Championship, a collaboration between the PGA of America, KPMG and the LPGA Tour, continues to elevate women's golf. Broadcast in partnership with NBC and Golf Channel, the Championship offers a purse among the highest on the LPGA Tour and is committed to being hosted at major-caliber venues. The event combines this annual major golf championship with the KPMG Women's Leadership Summit and an ongoing charitable initiative—all focused on the development, advancement and empowerment of women on and off the golf course.

Summit

The KPMG Women's Leadership Summit is hosted each year on-site during Championship week. This exclusive event brings together today's most accomplished leaders in business, politics, media and sports with the next generation of women leaders to inspire them in their development and advancement into the C-Suite. The distinguished lineup of past speakers includes Dr. Condoleezza Rice (66th U.S. Secretary of State), Amy Hood (Microsoft), Regina Dugan (building8, Facebook), Adena Friedman (NASDAQ), Lynn Good (Duke Energy), Dick Ebersol (NBC Sports), several Olympic gold medalists and accomplished athletes and many more inspiring leaders.

Charity

Funded by proceeds from the KPMG Women's PGA Championship and KPMG Women's Leadership Summit, the KPMG Future Leaders Program affords top female high school seniors across the country the opportunity to enhance their personal growth through college scholarships, a leadership development retreat at Stanford University, a mentoring relationship with a woman business leader, and an introduction to golf. Dr. Condoleezza Rice helps facilitate the program as its ambassador. Applicants to the program must demonstrate a proven track record of academic excellence, leadership potential, strong community involvement, interest in a STEM-related field and financial need.

Corporate Partnerships & Hospitality

The KPMG Women's PGA Championship affords companies and organizations the chance to share the drama and excitement of Major Championship golf with key clients, prospects, business partners and colleagues. There are numerous opportunities for involvement with the Championship and Summit, ranging from playing golf with an LPGA Tour professional during the Pro-Am, onsite signage, designated activation space, and an exclusive view of Championship golf, to seats at the KPMG Women's Leadership Summit.
